## PSY 532: Psychological Effects of the Internet

- I understand that this course will be conducted completely \_\_\_\_\_. I understand that I \_\_\_\_\_ have access to high-speed Internet \_\_\_\_\_ of the \_\_\_\_\_. I understand that my not having access to high-speed Internet, due to travel or other reasons, will \_\_\_\_\_ be a valid excuse for my not completing my work.
- I understand that my course grade will be based on the \_\_\_\_\_ and \_\_\_\_\_ of my completing \_\_\_\_\_ assignments per Unit, as well as my completing a Term Project. I understand that all materials, including the instructions for the Term Project, can be found at \_\_\_\_\_ [write out the URL for the Course Website].
- I understand that there are \_\_\_\_\_ possible points available for me to \_\_\_\_\_ in the course.
- I understand that on each assignment, I can earn \_\_\_\_\_ points if I complete the assignment \_\_\_\_\_ and my \_\_\_\_\_ assignment fulfills \_\_\_\_\_ the assignment's requirements.
- I understand that on each assignment, I can earn \_\_\_\_\_ points if I complete the assignment before \_\_\_\_\_ and my \_\_\_\_\_ assignment did not \_\_\_\_\_ but I correct my \_\_\_\_\_ assignment to fulfill all the assignment's requirements \_\_\_\_\_ before \_\_\_\_\_.
- I understand that on each assignment, I can earn \_\_\_\_\_ point if I did not complete the assignment \_\_\_\_\_ its due date but I did complete the assignment \_\_\_\_\_ OR if I completed the assignment before \_\_\_\_\_ but my \_\_\_\_\_ assignment \_\_\_\_\_ fulfill \_\_\_\_\_ the assignment's requirements and I did \_\_\_\_\_ correct my assignment to fulfill \_\_\_\_\_ the assignment's requirements \_\_\_\_\_ before \_\_\_\_\_.
- I understand that on each assignment, I will earn \_\_\_\_\_ points if I haven't completed the assignment one week after its due date.
- I understand that this course is a \_\_\_\_\_-credit course. I understand I should plan to spend \_\_\_\_\_ hours of work on each of the \_\_\_\_\_ Units, plus another \_\_\_\_\_ hours on my Term Project, for a total of \_\_\_\_\_ hours.
- I understand that to do well in this course, I must keep \_\_\_\_\_. I understand that I should work \_\_\_\_\_ to avoid unexpected \_\_\_\_\_, because after the opportunity to complete each assignment is gone, it will be \_\_\_\_\_, just like in life.
- I understand how the \_\_\_\_\_ accommodation is built into the course (why it is built into the course and how I can take advantage of it). Because of the \_\_\_\_\_ accommodation, I know that it is \_\_\_\_\_ to ask for an extension for completing any Assignment.
- I understand that the last day to drop the course without getting a grade of W is \_\_\_\_\_; the last day to request instructional accommodations for existing disabilities is \_\_\_\_\_; and the due date for my Term Project is \_\_\_\_\_.
- I understand that whenever I have questions about the course, I should feel free to email \_\_\_\_\_. I should title my email \_\_\_\_\_, and I should use my \_\_\_\_\_. I understand that I should \_\_\_\_\_ email the TAs.
